

Minisoft Announces New Support Website!

New Minisoft Support Wiki Enhances Customer Service Experience

SNOHOMISH, Wash. —September 24, 2014—Minisoft Inc., a leading provider of forms generation, transactional email, CRM, two-sided thermal label and legacy connectivity solutions, is pleased to announce the release of a new support website.

The Minisoft Support Wiki contains how-to videos, reference entries and written tutorials on eFORMz, eDIRECT+ and other Minisoft products. In addition, Minisoft customers will be able to download TeamViewer Quick Support for screen-to-screen interaction, and submit support tickets by contacting the Minisoft support team. These options are also available for prospective customers who are evaluating a Minisoft product.
